

8 or more People (CELEBRATE it's time to MULTIPLY)

DISCOVERY BIBLE STUDY (DBS) BRIEF SESSION OUTLINE FOR THE GUIDE(S)

WELCOME: Honour and thank God, the host, any first visitors and every person in the room.

VISION: We always share the vision of DBS in a simple and clear way:

The goals of this DBS are:

- 1. For someone else here to be the Guide for this DBS in 4 weeks or less.**
- 2. Make Disciple-makers who follow Jesus.** A Disciple-maker is someone who, as they follow Jesus, also **helps other people** to follow Jesus.
- 3. Make more DBSs.** We are planting **1000s** of these groups in Aotearoa, NZ and you can help.

MULTIPLICATION MOMENT:

At 8 or more people, celebrate — it is time to multiply.

- Who would like to guide a second DBS right now, nearby?

(Pause. Celebrate anyone who says yes. If possible, a guide and half the group can move to another room, nearby home, outdoor space or similar.)

- If that does not work today, who would like to guide a new DBS next week?

(Encourage them, pair them with a co-guide, make a plan and celebrate.)

Then continue with either the 2–4 person or 5–8 person DBS outline, depending on the group size.
